

DENGUE AWARENESS CAMP

**ORGANISED BY DINABANDHU
ANDREWS COLLEGE
(KANYASHREE
DEPARTMENT)**

DATE :

SEPTEMBER 6,

2019

Dengue is a dangerous and deadly disease; the most effective way to get rid of dengue is awareness among the masses. With a view to combat this disease, **Kanyashree Committee, Dinabandhu Andrews College**, arranged a "**Dengue Awareness Camp**" in the college premises on **6th September, 2019**. Respected teachers and students of the college attended the camp with much enthusiasm. **Dr. Swapna Mukherjee, HOD, Department of Microbiology** gave the message to join our arms against the fear of dengue. Each participant filled up the questionnaire (formed by the WB Govt.) distributed amongst them. The camp was followed by a rally. organized in the college premises and in the locality to give an awareness message to the people of the adjoining area. Kanyashree beneficiaries bore flexes bearing preventive measures relating to how to tackle the disease. The event was highly successful as a number of faculty members and students

from various disciplines of our college participated and interacted with great enthusiasm.
