

Notice
DAC/N-123/2025-26, dated 30.10.2025
(Internship)

This is to inform all the students of Semester II and Semester IV that, as per the **curriculum of the University of Calcutta**, they are required to participate in an **Internship Programme**. Students may choose any one of the internship programmes offered by the various organizations/companies in accordance with their **course-specific curriculum**. The details of the various internship programmes are attached to this notice.

Interested students are advised to:

1. Consult with their respective departmental teachers or any teacher of this institution for guidance regarding the internship programme.
2. For any clarification, they may contact the **Nodal Officer of the Internship Programme, Dr. Joy Sarkar**.
3. Before finalizing their choice of programme, students must submit the details of their interest in the chosen internship to their **respective Departmental Heads / Morning In-Charge (For the students of the Morning Shift) / Nodal Officer**.
4. **Students or departments** may also choose an **internship programme of their preference**, in accordance with the **guidelines** of the **UGBOS** of the **respective department, apart from the options listed in this notice**.

All concerned students are directed to follow the above instructions carefully.
